

Don't let them bug you!

Student Worksheet 1.

Before you head out into the garden, have a think about what insects you might find out there.

1. Draw a picture of what sort of insect you think you might find living in the garden.

2. Do you know the name of this insect?

3. What words can you think of to describe this insect? (At least four words.)

4. What other insects might you see in the garden while you're out there?

5. Share your picture and thoughts about your insect with the person next to you.

Name: _____ Class: _____

Student Worksheet 2.

Now you've found an insect in the garden, fill out the questions below:

1. Draw a picture of what type of insect you have found.

2. Do you know what sort of insect it is?

3. With your partner, examine your picture, compare your drawings, and compare both your drawings with the insect in the garden.

4. Think up some questions to ask each other about the insect, such as, 'How many legs does the insect have?' Write these questions and your answers below:
